Chongking-other report - submitted	-		Shizhu	Backyard	Shuangba Village,Daxie Township	30.03944	108.11666	17/03/2019	03/05/2019
Species	Measuring units	Susceptible	Cases	Deaths	Killed and disposed of	Slaughtered			
Swine	Animals	91	9	6	85	0			
Affected Population	After ASF occurred in Daxie Township, Shizhu County, in Chongking City, control measures such as blockade, killing and disposal and disinfection were applied, in accordance with the requirements of the Contingency Plan for ASF and Technical Regulation on ASF Control (Trial). After affected pigs were killed in the affected areas, a total of 286 domestic pigs were killed in the affected areas and disposed of the culled pigs in biosafe method. No new outbreaks and positive samples have been found for the 6 consecutive weeks in surveillance and monitoring. Local animal husbandry and veterinary authorities organized the acceptance for laboratory tests and on-site assessments in the affected areas. The results of the acceptance were in compliance with the regulations on the blockade lift in the affected areas, and the ASF outbreak was solved. The local government decides to lift the blockade at 18:00 o'clock of May 3rd, 2019.
