Liaoning-other report - submitted	-	Shenyang	Shenbei New District	Farm	Shenbei Street	42.0225	123.2932	01/08/2018	
Species	Measuring units	Susceptible	Cases	Deaths	Killed and disposed of	Slaughtered			
Swine	Animals	8116	47	47	8069	0			
Affected Population									

Outbreak summary: Total outbreaks = 1 (Submitted)

Species	Susceptible	Cases	Deaths	Killed and disposed of	Slaughtered
Swine	8116	47	47	8069	0

Epidemiology

Epidemiological comments

After all susceptible animals at the infected point and infected zone were culled and disposed of in an appropriate bio-safety way, the Ministry of Agriculture and Rural Affairs has organized and guided veterinary services of the whole country to conduct an epidemiological survey and emergency surveillance for African swine fever (ASF). Up to 09 August 2018, a total of 261,900 screening sites were investigated and a total of 18,094,300 pigs were screened in our country. Sites included pig farms, markets, slaughterhouses, factories or sites for disposal of animals and animal products. Epidemiological survey and emergency surveillance plan has been issued by the Ministry of Agriculture and Rural Affairs. In the key provinces including Beijing, Tianjin, Hebei, Inner Mongolia, Liaoning, Jilin, Heilongjiang, Guangdong, Gansu, Xinjiang, Xinjiang Production and Construction Corps, an epidemiological survey and emergency surveillance for ASF have been conducted according to the plan. Up to now, no new cases have been found.

Source of the outbreak(s) or origin of infection

- Unknown or inconclusive

Measures applied

Applied	To be applied
<ul style="list-style-type: none"> • movement control inside the country • surveillance outside containment and/or protection zone • screening • quarantine • official destruction of animal products • official disposal of carcasses, by-products and waste • stamping out • control of wildlife reservoirs • zoning • disinfection 	<ul style="list-style-type: none"> • no planned control measures
Animals treated	Vaccination Prohibited
No	No

Future Reporting

The event is continuing. Weekly follow-up reports will be submitted.
